All in all excellent progress is made in 2014 are just getting started...

Our first Directors meeting of the year was held last Sunday 4th to review our accomplishments of 2014 and targets for expansion & growth in 2015.

Targets For WIN In 2015 Include:

...Look for continued population of audio, video, photo, and textual content as well as enhanced design, development, and database functionality additions to our website over the next few months.

Technical anomalies that occurred over the last two weeks prompted us to make lemonade out of lemons and initiate a restructuring of our database that will ultimately enhance the functionality of the site and lay the foundational structure for the substantial growth of our club.

These changes are currently in progress and ongoing and may not be noticeable for the next several weeks but the final result will be a cutting-edge website that augments the value and benefit of Membership befitting a First-Class Club - WIN.
